

550Watt 24Volt Mono Crystalline Solar Module

Technical Specifications

Electrical Characteristics	
Open circuit voltage - Voc	49.88 V
Optimum operating voltage - Vmp	42.05 V
Short circuit current - Isc	14.01
Optimum operating current - Imp	13.08 A
Operating temperature	-40 C to +85C

- Certifications: IEC 61215, TUV class II, CE
